EXPLANATION.—In the Left-hand Table are the years of the Century, and above each is the Dominical Letter corresponding with that Year. Then, opposite to the Month, at the foot of the Right-hand Table, will be found a corresponding Letter, over which are placed the Days of the Month and Week for that Month (distinguishing the Sundays by a different type). Each Blank Space in the Left-hand Table shows the year following to be Leap Year; and as every Leap Year has two Dominical Letters, the Letter above the Blank Space must be used for January and February in every Leap Year, and for the other months, use the Letters belonging to the respective Years.

By transposing the Dominical Letters, this Calendar would answer for any Century.

§ Where the deed is made as a security for the repayment of money to be thereafter lent, advanced, or paid, or which may become due upon an account-current, together with any sum already advanced or due, or without, other than any sums to be advanced for the insurance of any property comprised in such security against damage by fire, or for the insurance of any life or lives, or for the renewal of any grant or lease upon the dropping of any life or lives, pursuant to any agreement in any deed whereby any estate or interest held upon such life or lives is granted, assigned, or assured, or whereby any annuity is granted or secured for such life or lives—

If the total amount of the money secured or to be ultimately recoverable thereupon is limited not to exceed a given sum,—the same duty as on a mortgage or wadset for such limited sum.

And if the total amount of the money so secured or recoverable is uncertain and without any limit, then the same shall be available as a security or charge for such an amount only of money or stock intended to be thereby secured as the *ad valorem* duty denoted by any stamp thereon will extend to cover.

§ AND where the same is made as a security for the transfer or re-transfer of any share in any of the Government or Parliamentary stocks or funds, or in the stock and funds of the Governor and Company of the Bank of England, or of the Bank of Ireland, or of the East India Company, or of the South Sea Company, or of any other company or corporation, in consideration of stock or money advanced or lent at the time, or previously due and owing, or foreborne to be paid, being payable,—the same duty as on a mortgage for a sum equal to the value of the stock or fund secured according to the average price thereof on the day of the date of the mortgage, or on either of the ten days preceding, or if there shall not have been any known sale on any of such days, then on the latest day preceding on which there shall have been a known sale.

And where the same respectively shall be made, as a security for the payment of a sum of money, and also for the transfer or re-transfer of a share in any of the said stocks or funds, the said *ad valorem* duty shall be charged in respect of each.

And in case the same respectively shall be made, as a security for the payment or transfer, to different persons, of separate and distinct sums of money, or shares in any of the said stocks or funds—the said *ad valorem* duty shall be charged for and in respect of each separate and distinct sum of money, or share in any of the said stocks or funds therein specified and secured, and not upon the aggregate amount thereof.

And where any such deed or instrument as aforesaid shall be made respectively as a security for the payment of *any annuity*, or any sum of money by way of repayment, or in satisfaction or discharge, or in redemption of any sum lent,

advanced, or paid, as or for or in the nature of a sum intended to be repaid, discharged, or redeemed, in manner aforesaid—the same duty as on a mortgage or wadset for the sum of money so lent, advanced, or paid.

Transfer, Disposition, or Assignment of any mortgage or wadset, &c.—

Where *no further sum* of money or stock shall be added to the principal already secured, if such principal shall not exceed in value in the whole the sum of £1400—the same duty as on a mortgage or wadset for the total amount or value of such principal.

And if such principal shall exceed in value in the whole the sum of £1400—£1, 15s.

And where *any further sum* of money or stock shall be added to the principal already secured—the same duty as on a mortgage or wadset for such further money or stock only.

And in every other case not expressly provided for, such transfer, disposition, or assignment shall be chargeable with the duty of £1, 15s.

Such instrument is not chargeable with further duty (*except progressive duty*) by reason of its containing any further or additional security for the payment or transfer, or re-transfer, of such money or stock, or any interest or dividends thereon, or any new covenant, proviso, power, stipulation, or agreement, or other matter whatever in relation to such money or stock, or the interests or dividends thereon, or by reason of its containing all or any of such matters.

Where several distinct instruments are made at the same time for securing the payment or transfer of one and the same sum of money, or one and the same share of any of the stocks or funds before mentioned, the said *ad valorem* duty, if exceeding £2, shall be charged only on one of such deeds or instruments; and all the rest shall be charged with the duty to which the same may be liable, under any more general description of such instruments; and, if required for the sake of evidence, all the rest of such instruments shall be also stamped with some particular stamp, for denoting or testifying the payment of the said *ad valorem* duty on all the said instruments being produced duly stamped with the duties hereby charged thereon. This under acts previous to 13 and 14 Vict.

Any deed made for the *further assurance* only of any property already mortgaged as a security, by any deed which has paid the *ad valorem* duty on mortgages or bonds—

Also any deed made as an *additional* or *further security* for any sum, &c., already secured by any deed or instrument which has paid the *ad valorem* duty on mortgages and bonds as aforesaid—

Where the total amount or value of the money or stock already secured, and in respect whereof the *ad valorem* duty has been paid, shall not exceed the sum of £1400,—the same duty as on a mortgage or wadset for the amount or value of the said money or stock.

And in any other case, £1, 15s.

If any further sum shall be added to the principal already secured, such deed for further assurance, or additional or further security, either by the mortgagor or by any person entitled to the

property mortgaged by descent, &c., shall be chargeable only (exclusive of progressive duty) with the *ad valorem* duty on mortgages under 18 and 14 Vict., c. 97, in respect of such further sum, in lieu of the duty aforesaid.

RECONVEYANCE, Surrender, Discharge, or Renunciation of any mortgage or wadset, or of any other such security as aforesaid, or of the benefit thereof, or of the money or stock thereby secured—

Where the total amount of the principal money or stock at any time secured shall not exceed the sum of £1400—the same duty as on a mortgage or wadset for the amount or value of the said money or stock. And in any other case, £1, 15s.

WADSET, &c., with a conveyance of the equity or right of redemption or reversion, or other matter in the same deed, viz.—

Where any deed or writing shall operate as a mortgage, and also as a conveyance of the equity or right of redemption or reversion of any lands, estate, or property therein comprised, such deed or writing shall be charged not only with the said *ad valorem* duty on mortgages, but also with the *ad valorem* duty on a conveyance upon the sale of any property; but where the equity or right of redemption or reversion shall be thereby conveyed, or limited in any other manner, such deed or writing shall be charged only as a mortgage.

And in all other cases where a mortgage shall be contained in one and the same deed or writing with any other matter or thing (except what shall be incident to said mortgage), such deed or writing shall be charged with the same duties (except the progressive duty) as such mortgage and such other matter or thing would have been separately charged with if contained in separate deeds or writings.

NOTE.—*When the Estate has been under-estimated, or effects omitted, so as to infer the payment of further duty*, an additional inventory on a stamp corresponding to the aggregate amount of the original inventory, and the additional value, must be exhibited (48 Geo. III., c. 149, sec. 40), and the original inventory will be given up to the executor or his mandatory by the Solicitor of Inland Revenue, and repayment of the amount of the duty upon it will be obtained from the Collector at Edinburgh. A full copy of the original inventory and oath must be left with the Solicitor.

When the Estate has been over-estimated, or effects improperly included, a corrected inventory must be exhibited, engrossed on a stamp corresponding to the true amount, and allowance of the original stamp will be got as a spoiled stamp within *six months* from the date of recording the corrected inventory. Forms of the affidavit may be got at the Solicitor's Office, where, after being sworn, it is lodged along with a full copy of the original inventory and relative oath.

RETURN OF INVENTORY-DUTY.

A return of the duty paid on the inventory may be obtained if the personal debts *due by the deceased at the time of his death* reduce the estate to a sum in respect of which a less stamp-duty is payable than has actually been paid. The claim is made by affidavit and schedule, according to regulations, to be had from the Solicitor of Inland Revenue, and requires to be lodged with him (the days for this purpose are *Monday and Friday*, between twelve and two o'clock) within *three years* from the *date of the inventory*, and to be accompanied by a copy of the recorded inventory and stamped appraisements, vouchers, &c., of the constitution of the debts (such as bonds, bills, accounts, &c.), and of the payment. The time for lodging the claim, if expired, may be extended on application, by letter addressed to the Secretary of the Board of Stamps and Taxes, London.

REGULATIONS AS TO EXCHANGING SPOILED STAMPS.

The Solicitor's Office, No. 5 in the Inland Revenue Office, is open for the allowance of spoiled stamps on Tuesday and Thursday, every week, from twelve noon to two P.M. The distributors of stamps at the following places also receive spoiled stamps for allowance: Glasgow, Ayr, Kilmarnock, Dumfries, Perth, Dundee, Aberdeen, Banff, and Elgin.

A supply of forms of affidavits is kept by the Solicitor and the above distributors, and claimants may attend at the Solicitor's office, and have the affidavits filled up and taken; or they may get copies of the forms, and take the oath before a justice of the peace, and afterwards lodge the affidavits and the stamps with any of the above officers. If the claim be admitted, a ticket is issued, stating that application is to be made for the new stamps after Thursday se'ennight, and within six weeks from the date of the ticket. If not made within that time, the claim will be forfeited.

The stamps, if belonging to parties resident in Edinburgh, or within ten miles thereof, must be presented for allowance within six months after being signed in the case of executed instruments, and six months after being spoiled in the case of unexecuted instruments. If beyond that distance, six months in the former, and twelve months in the latter case.

Bills and notes delivered to payees, or negotiated, or issued in any way, and bills accepted or tendered for acceptance, cannot be exchanged, unless a new bill be produced, in all respects the same, excepting the correction of the error.

As to the exchange of sea policies of insurance, see 54 Geo. III., cap. 133.

Unexecuted instruments are allowed, if inadvertently spoiled. Executed, that is, signed by any party, if void in law from the beginning; from error, or mistake, unfit for the purposes originally intended; from the death or refusal to sign of any person whose signature is necessary; from the want of the signature of some material and necessary party; from refusal to act under; or from non-acceptance, they shall be unfit for or fail of the purpose intended, or if the transaction be carried through by another instrument duly stamped.—(See 53 Geo. III., cap. 108.) Transfers of stock, if signed by the seller alone, and other instruments if by one party, new deeds require to be produced to the proper officer of stamps, who, as to transfers, is instructed to certify in what particulars they differ from those spoiled.

Stamps of a different description may be obtained for any stamp spoiled, if it be of the value of £6 or upwards. Application for this purpose to the Commissioners of Stamps and Taxes should be lodged with the affidavit. The Commissioners, by 3 and 4 Will. IV., cap. 97, sec. 19, may, if in their discretion they think fit, refund, in money, the amount of spoiled stamps. They are also authorized to repay the amount of stamps for which the possessor has no immediate use, if applied for within three months after being purchased. In both cases is deducted the per centage allowed by law on the purchase of stamps.

STAMPING DEEDS AFTER BEING SIGNED.

Beyond Twelve Months.—The duty, or deficiency of duty, shall be due and payable to her Majesty, and also the penalty of £10. The deed will only be stamped on payment of the whole, or (as the case may be) the deficiency of the stamp-duty remaining payable on it, and, over and above such duty, a penalty of £10; and if the whole amount of said duty or deficiency shall exceed £10, then, in addition to said duty and penalty, there shall be paid, by way of additional penalty, interest on the duty or deficiency at the rate of 5 per cent from the date or first signing of the deed; but such interest shall not exceed the amount of the said duty, or deficiency of duty.

Within Twelve Months.—If the deed shall be brought to the Commissioners of Inland Revenue within twelve months after the first signing or executing, in order to be stamped, it may be stamped without payment of the penalty, or on payment only of a portion thereof, provided it shall be proved to the satisfaction of the Commissioners, that the deed was not duly stamped previously to being signed, by reason of accident, mistake, inadvertency, or urgent necessity, and without any wilful design to evade or delay the payment of duty.—(13 and 14 Vic., c. 97, sec. 12.)

Abroad.—If the deed shall be executed by any party abroad, it may be stamped without any penalty, if brought to be so within two calendar months from the time of being received in the kingdom, upon proof of the facts to the satisfaction of the Commissioners.—(13 and 14 Vic., c. 97, sec. 13.)

N.B.—Instruments are received at the Solicitor's Office, Inland Revenue, Waterloo Place, Edinburgh, and transmitted to London to be stamped—if within sixty days of the first date, on payment of the duty—if beyond that date, on payment of the duty and penalty. Parties, on applying, will be furnished with a Schedule, and, after being filled up, it is to be presented, along with the Instrument, at the Solicitor's Office, No. 5 Inland Revenue, between 10 and 12 o'clock on Wednesdays only. The amount of duty wished to be impressed on the instrument is to be inserted by the applicant, before being presented at the Solicitor's Office; and, afterwards, he pays it, and the penalty, if any, to the Cashier, No. 3 Lobby. The Instrument will be returned through the Warehousekeeper, No. 2 Lobby, and it must be called for after twelve days and within twenty-one days from the date of its being lodged.

DOUBTS AS TO THE SUFFICIENCY OF STAMPS MAY BE REMOVED.

The opinion of the Commissioners of Inland Revenue as to the duty to which a deed, whether previously stamped or otherwise, is chargeable, may be obtained on payment of a fee of 10s. The duty or insufficient duty which the Commissioners may assess, and the penalty, if any, being paid, they shall stamp the deed with the duty so paid, and thereupon, and also in the case of the deed being previously sufficiently stamped, shall also impress the deed with a particular stamp to be provided for the purpose. The deed shall then be received in evidence, notwithstanding any objection to it as insufficiently stamped. The provision does not apply to bonds or mortgages for unlimited amounts, nor instruments after being signed, prohibited from being stamped. The opinion of the Commissioners may be appealed against to the Court of Exchequer at Westminster, on the stamp-duties assessed being paid, and 40s. for costs being deposited.—(13 and 14 Vic., c. 97, sec. 14 and 15.)

N.B.—Instruments are received for adjudication, on the same conditions as to duty and penalty as instruments to be stamped merely.—(See above.) The mode of proceeding is as follows:—The sum of *ten shillings* for the adjudication stamp is first to be paid to the Cashier, No. 3 Lobby. Then the schedule—the instrument after execution—and a full copy (written on foolscap paper) of it, are to be left at the Solicitor's Office, No. 5, on Wednesdays, between 10 and 12 o'clock only. Between 10 and 12 o'clock next day, a party who can give explanation, must call on the

chief clerk of the Solicitor's Department (No. 6); and he should be prepared to pay the proper duty, and penalty, if any, to the cashier, No. 3 Lobby.

It is desired that there may be appended to the copy of the instrument, a table of the clauses and provisions of the deed, and a reference to the page of the copy on which each commences.

DUPLICATES OR COUNTERPARTS.

Duplicate or Counterpart of any deed or instrument, of any description whatever, chargeable with any stamp duty, under any act or acts in force—

Where such stamp duty (exclusive of progressive duty) shall not amount to the sum of 5s., the same duty as chargeable on the original deed or instrument, including the progressive duty thereon (if any).

GENERAL POST-OFFICE, EDINBURGH.

POSTMASTER-GENERAL FOR THE UNITED KINGDOM,
THE RIGHT HONOURABLE THE EARL OF HARDWICKE.

SECRETARY—FRANCIS ABBOTT, Esq.

INLAND POSTAGE AND GENERAL REGULATIONS.

The RATES OF POSTAGE ON LETTERS *prepaid* are :—

Under half an ounce,	1d.
Above half and under an ounce, . . .	2d.
Above an ounce and under two ounces, .	4d.

And so on, two rates being added for each additional ounce.

On Letters *unpaid* double the above rates is charged. Letters exceeding four ounces in weight are not forwarded until the postage be paid.

Addresses to Her Majesty, and Petitions to Parliament under thirty-two ounces, open at the ends, *pass free*.—Books and Parliamentary Proceedings at reduced rates, explained under their respective heads,—the only exceptions to the above rates.

Adhesive Stamps and Envelopes.

Prepayment of Letters *in money* is now prohibited.

The Stamps should be placed on the front of the Letter, at the right hand corner; and care should be taken that they firmly adhere. The better method is to wet the Letter, not the Stamp.

Any Postmaster, Sub-Postmaster, or Letter-Receiver, will supply the Public with Postage Stamps or Envelopes at the following Prices :—

The Penny Label Stamps at 1d. each.	
The Twopenny ditto	2d.
Tenpenny ditto	10d.
Shilling ditto	1s.
Envelopes, 24 for 2s. 3d., or 2 for 2½d.	

Redirected Letters.

Redirected Letters are subject to additional rates of Postage; but whether originally prepaid or not, they are only liable to be charged at the prepaid rate for the additional Postage.

Overcharges, Delays, &c.

In cases of complaint, whether arising from overcharges, delays, or other irregularities, the covers (and contents in all practicable cases) should be forwarded to the Secretary, General Post-Office, for investigation, as affording the only efficient means of answering such complaints satisfactorily. Overcharges are returned between the hours of ten and four, at the Window Office.

Letters not to be Delivered Back.

To prevent the possibility of Letters being surreptitiously obtained from the offices where put in, office-keepers are strictly forbid returning, to any person whomsoever, Letters that may be applied for, under whatever circumstances the recovery may be urged.

Illegal Conveyance of Letters.

By the 1st Victoria, cap. 36, sec. 2, any person illegally conveying Letters, incurs a penalty of £5 for every offence, and £100 for every week the practice is continued. The Sender also incurs a penalty of £5 for every offence, with full Costs of Suit.

Articles which may Not be Sent by Post.

Letters or Packets cannot be forwarded by the Post-Office containing any of the following enclosures, viz. :—any Glass, Razor, Scissors, Knife, Fork, or other sharp or pointed instrument ; any Leeches, Game, Fish, Flesh, Fruit, Vegetable, or other perishable substance ; any Bladder, or other vessel containing liquid ; or any article, matter, or thing whatsoever, which might, by pressure or otherwise, be rendered injurious to the Officers of the Post-Office, or to the contents of the Mail-bags ; and the Act 3 and 4 Victoria, cap. 96, expressly directs that no Letter shall be sent by Post containing any **EXPLOSIVE OR OTHER DANGEROUS MATERIAL OR SUBSTANCE**. No Letter or Packet exceeding in breadth, or length, or depth, twenty-four inches measurement, can be forwarded by Post.

Registered Letters.

The system of registration provides a secure mode of transmitting Bank Notes, Bank Post Bills, Drafts, &c. &c. The arrangements have been made with the view of insuring the punctual delivery of **LETTERS OF VALUE** ; on their delivery, the parties to whom they may have been addressed will be required to acknowledge in writing their receipt. **LETTERS OFFERED FOR REGISTRATION MUST HAVE THE FULL AMOUNT OF POSTAGE IN STAMPS AFFIXED THEREON, AND THE REGISTRATION FEE OF SIXPENCE MUST BE PAID IN MONEY.**

Registered Letters will be taken at the General Post-Office, at the Receiving-Houses, and by all Postmasters throughout the United Kingdom, until within half an hour of the closing of the Box for the particular Mail or Bag by which they are to be despatched.

An acknowledgment by receipt will be given to the parties registering Letters, and each receipt must bear the Office stamp.

The practice of committing Letters containing valuable property to the Post-Office unregistered should in all cases be avoided. It is expected that persons having occasion to transmit such letters will avail themselves of the proper means of security, and in no case, by committing property unregistered to the Letter-boxes, **RISK ITS LOSS**. If, however, notes are sent, parties are recommended to cut them in halves, and the second half should not be despatched until the receipt of the first has been acknowledged. The numbers, dates, and amount, should also be carefully taken.

Books, Maps, Prints, &c., under Certain Regulations, Forwarded at a Reduced Rate.

By the regulation which came into operation on 1st March last, the Book privilege is greatly extended, and now includes Maps, Prints, and other literary matter. The following are the new Regulations :—

A Book-Packet may contain any number of separate Books, Maps, or Prints, and any quantity of Paper, Vellum, or Parchment (to the exclusion of Letters, whether sealed or open) ; and the Books, Maps, Paper, &c., may be either printed, written, or plain, or any mixture of the three.

Further, all legitimate Binding, Mounting, or Covering of the same, or of a portion thereof, will be allowed, whether such Binding, &c., be loose or attached ; as also Rollers, in the case of Prints ; Markers (whether of Paper or otherwise), in the case of Books—and, in short, whatever is necessary for the safe transmission of literary or artistic matter, or usually appertains thereto.

The following are the remaining Regulations respecting the Inland Book Post—all previous notices regarding it being cancelled.

Rates of Book Postage.

For each Packet not exceeding One Pound in weight	0s. 6d.
„ exceeding One Pound and not exceeding Two Pounds,	1s. 0d.
„ exceeding Two Pounds and not exceeding Three Pounds	1s. 6d.
And so on, 6d. being charged for every complete Pound, and for any additional fraction of a Pound.	
Every Packet must be sent either without a Cover, or in a Cover open at the ends or sides.	
It must not contain any Letter, open or sealed, nor any sealed enclosure whatever.	
No Packet must exceed two feet in length.	

The Book Post to which the foregoing rules relate, is confined to the United Kingdom, and does not affect the privileges allowed to Votes and Proceedings in Parliament, or to Newspapers.

Postmasters are instructed to open and examine Book-Packets, to see that the conditions on which they are allowed are all complied with ; and if he find any Letter, whether sealed or open, or sealed enclosure of any kind, such Letter or enclosure is to be taken out and dealt with as an Unpaid Letter—the Address on the Packet being written thereon if there be no other Address. And if in

any other respect either of the above conditions be violated, or if for any reason the Postmaster does not think that the Packet comes within the privilege of the Book Post, he must forward it to the Principal Office, there to be dealt with.

To prevent obstacles to the regular transmission of Letters, any Officer of the Post-Office may, when necessary, delay forwarding a Book-Packet for a period not exceeding twenty-four hours beyond the time at which it would otherwise be forwarded.

Newspapers, and Supplements to Newspapers.

It is not compulsory to send Newspapers or their Supplements by Post; but those that are intended to be so transmitted must be sent in covers open at the sides; and no words of communication may be printed or written on such papers (except under the conditions hereafter explained) after the same shall have been published, when they are entitled to pass free.

Parties will be allowed, however, to put any Writing or Marks on Newspapers passing by Post, in the United Kingdom, provided that a Postage of a Penny be prepaid, BY MEANS OF A STAMP conspicuously affixed outside the Cover or folded Newspaper, it being understood that in those cases where the Newspaper may be liable to Postage, irrespective of such Writing or Marks (as when it is both posted and delivered in the same town), the Penny Stamp shall cover both the Writing and Postage. But this privilege is to be confined to Writing or Marks on the Newspaper itself, and not to extend to the Cover, which must contain nothing but the address.

Any Writing or Marks on the Cover, besides the address, or on the Newspaper (if not prepaid as above), will subject it to the same rate as that of an Unpaid Letter, according to weight.

Newspapers pass free by the Edinburgh Local Posts, except in those cases where they shall be posted and delivered within the limits of the General Post delivery (which now includes Leith), when the Postage is one penny on each Newspaper.

PRICES CURRENT, and COMMERCIAL LISTS published in the United Kingdom, if duly stamped, and under the weight of two ounces, will be treated as Newspapers, and enjoy the Newspaper privileges, the sanction of the Postmaster-General having been previously obtained.

* * As the mere affixing a Newspaper Stamp on any new periodical publication will not entitle it, as a matter of course, to pass free by the Post, those who may be about to publish, for the first time, any such paper, should submit a copy to the Postmaster-General, in order that it may be determined whether the Publication is of a nature that will entitle it to pass free of postage.

Clause of the Act of 1st Victoria, cap. 34, sec. 32.—"And be it further enacted, that in all cases, in which a question shall arise, whether a printed Paper is entitled to the privileges of a Newspaper, or other Publication hereby privileged, so far as respects the transmission thereof by the Post under the Post-Office acts, the question shall be referred to the determination of the Postmaster-General, whose decision, with the concurrence of the Lords of the Treasury, shall be final."

Newspapers published in the Channel Islands and the Isle of Man are now excluded from the Newspaper privileges, except such as may be printed in the French language.

Printed Votes and Proceedings of Parliament.

Printed Votes and Proceedings of Parliament, or of the Colonial Legislatures, are charged—

Under four ounces,	1d.
Above four and under eight ounces,	2d.
Above eight and under twelve ounces,	3d., and so on.

Such Votes and Proceedings, whether paid or unpaid, pass at these rates between places in the United Kingdom, as well as to the Colonies, by PACKET. The Postmaster-General is authorised (if he shall see fit) to delay the transmission of Printed Votes and Proceedings in Parliament for any space not exceeding Twenty-four hours from the time at which the same would otherwise have been forwarded.

Stamped Publications.

Stamped Publications, not being Newspapers, but having the authority of the Postmaster-General to pass as such by Post, are restricted to the weight of 2 oz.

FOREIGN AND COLONIAL LETTERS & NEWSPAPERS.

General Regulations.

The prepayment of Postage is optional to many parts abroad, Foreign as well as Colonial. For information on this point, reference may be made to the List of Foreign Places, commencing at page 376.

Letters for the Colonies and Foreign Countries posted unpaid, although specially addressed to be forwarded by routes *which require the Postage to be paid in advance*, will not, if there are any means of transmitting them, be opened and returned to the writers for payment of such postage, but will be despatched, if possible, by other routes unpaid.

Weight of Letters.

Foreign Letters are charged on the same principle as Inland, according to weight, as follows :—

Not exceeding $\frac{1}{2}$ oz., one Rate.

Do. do 1 oz., two Rates.

And two Rates for every succeeding oz.

The French and Belgian scale of progression is as follows :—

Under $\frac{1}{4}$ oz., one Rate.

Weighing $\frac{1}{4}$ oz., under $\frac{1}{2}$ oz., two Rates.

And one Rate for every succeeding $\frac{1}{4}$ oz.

In charging the British and Foreign COMBINED rates, it is to be observed, that a letter will be liable to two Foreign rates if it *reaches* the $\frac{1}{4}$ oz., whereas two British rates are not chargeable unless the letter *exceeds* $\frac{1}{2}$ oz. (the limit for a single British rate); so that a letter, to be subject to a single Foreign rate, as well as British, must be *under* $\frac{1}{4}$ oz. The following shews the method of taking the postage on letters for France and Belgium.

FRANCE.	{	under $\frac{1}{4}$ of an ounce.	{	British, 0s. 5d.	reaching $\frac{1}{4}$ of	{	British, 0s. 5d.	
				Foreign, 0s. 5d.			Foreign, 0s. 10d.	
				0s. 10d.	an ounce.		1s. 3d.	
BELGIUM.	{	under $\frac{1}{4}$ of an ounce.	{	British, 0s. 4d.	reaching $\frac{1}{4}$ of	{	British, 0s. 4d.	
				Foreign, 0s. 2d.			Foreign, 0s. 4d.	
				0s. 6d.	an ounce.		0s. 8d.	

Ship Letters.

The single uniform rate on Ship Letters between the United Kingdom and any place beyond seas (except those for France, Belgium, Holland, Hamburg, Bremen, Brunswick, Hanover, Denmark, Oldenburg, Lubec, and Mecklenburg-Schwerin, to which places the rate is the same as by packet), when conveyed by private ship, is 8d. under the $\frac{1}{2}$ oz., and so on, in whatever part of the United Kingdom the same may be posted or delivered. Letters intended to be conveyed by "private ship" should be so addressed.

Persons exempt from Ship Letter Postage.

The owners, charterers, and consignees, resident in the United Kingdom, and owners, consignees, and shippers of goods on board vessels inward bound, are entitled to receive their letters free from sea postage (the inland postage only being chargeable) to the extent of 6 oz. collectively, by any one vessel to any such person. In the case of vessels coming from Ceylon, the Mauritius, the East Indies, or the Cape of Good Hope, for an owner, charterer, or consignee of such vessel, the letters may collectively be 20 oz. in weight. The owner, charterer, or consignee, must be described as such on the address or superscription; and, in the case of owner, consignees, or shippers of goods, it must also appear by the ship's manifest that they have goods on board the vessel. Such per-

sons are entitled to have their letters which come within the above conditions, before the master of the vessel delivers the other letters in his charge to the Post-Office.

*. Any person who shall, with intent to evade any duty of postage, falsely superscribe a letter as being the owner, charterer, or consignee of a vessel conveying the same, or as the owner, shipper, or consignee of goods shipped in such vessel, shall, for every offence, forfeit £10.

Letters not to be Sealed with Wax when sent to Warm Climates.

The practice of sealing letters which pass to and from the East Indies, and other warm climates, with wax, leads to much inconvenience, from the melting of the wax, and the letters adhering to each other. The public, therefore, are recommended, in all such cases, to use wafers instead of wax, and to advise their correspondents to do the same.

Adhesive Stamps and Envelopes.

Stamps may be used to pay Foreign or Colonial Letters OUTWARDS, but care must be taken that, by the addition of such stamps, the letters do not exceed the weight intended to be paid for. In those cases in which the value of the stamps on the letter is less than the amount of postage chargeable, they will, if prepayment is not compulsory, be forwarded charged with the difference. In cases where the prepayment is compulsory, they will be sent to the Dead Letter Office, and opened and returned to the writers for the proper postage. Stamps are not permitted to be used on letters arriving in the United Kingdom from the Colonies or foreign countries. Whenever, therefore, such letters bear any, they will be charged the full rate of postage, without regard to such stamps. These regulations will be applicable to newspapers in those cases where they are liable to postage.

Newspapers and Prices Current to the Colonies and Foreign Countries.

Newspapers and Prices Current, duly stamped and authorised, provided the regulations are complied with, and they are posted within seven days of their publication, may be forwarded to the Colonies and to foreign countries, by Post-Office packets or private ships. To the British Colonies they are forwarded free, except in cases where the conveyance is by private ship, as also to many foreign countries, which will be found in the Lists. But to all places to which newspapers are not sent free, the postage on them must be paid in advance. Newspapers and Prices Current, duly stamped, to the Colonies, by PRIVATE SHIP, are charged one penny each. To France, Belgium, Holland, and countries through Holland, by PRIVATE SHIP, one penny each. Chili, Peru, Guatemala, Western Coast of America, Venezuela, St Helena, St Mary's, River Gambia, Sierra Leone, Cape Coast Castle, Fernando Po, and Ascension Island, one penny each. All other places not British, by PRIVATE SHIP, twopence each, which must be prepaid.

The undermentioned printed PRICES CURRENT having obtained the sanction of the Lords of the Treasury, pass through the Post-Office to the Colonies and foreign countries at one penny each, provided they contain simply the names and prices of articles. The names and addresses of the parties dealing in such articles must be excluded:—

Annual Supplement to Prices Current.

British Ships entered inwards and cleared outwards from and to places within the limits of the East India Company's charter.

Commercial Daily List.

Lloyd's List.

London New Price Current.

London Mercantile Price Current.

Mercantile Journal.

Nicolson's New Price Current.

Prince's Price Current.

Sound List.

Trades' List.

Universal Corn Reporter.

Wetenhall's Course of the Exchange.

Each copy to be made up in the same way as a newspaper, with cover open at the sides.

The title of the publication must be written or printed immediately above the address; and any other writing than such address, name, initial, or mark for reference of any kind, calculated to convey information as to the party by whom such publication is forwarded, will subject the same to full letter rates of Postage.

Prices Current cannot be forwarded a second time without being charged full letter postage.

Prices Current from any colony or place abroad by private ship are charged the same rate as newspapers. Prices Current from any British colony by packet, direct to any place in the United Kingdom, one penny each.

Prices Current from any foreign country by packet (except France, Belgium, Holland, and China), direct to the United Kingdom, twopence each.

Prices Current from whatever part (except China) received by way of France, Belgium, Holland, or Hamburg, twopence each.

Newspapers posted out of date, written on, or in any way marked for reference, or containing anything contrary to the Act, or without being prepaid, will, if there be no means of forwarding them, as unpaid letters, be sent to the Dead Letter Office. When they can be forwarded, those out of date, or not prepaid as required, will be charged with the ordinary letter postage.

Newspapers posted in France, contrary to the established regulations of that country, are transmitted to this country as letters. British newspapers reposted in France for England are charged with the British frontier postage of 5d. per half ounce.

Periodical Publications, &c.

Periodical works, unstamped, and not of daily publication, parliamentary proceedings, &c., may be forwarded to and from France, Belgium, Bremen (*via* Hamburg), Hamburg, Lubeck (*via* Hamburg), Oldenburg, Holland, Prussia (*via* Holland), Denmark, and the United States (but not to countries passing through), under the following regulations:—

1st, The postage must be paid in advance (except those from).

2d, They must be sent in covers open at the sides for examination.

3d, They must be printed in the English language, or the language of the country they are sent from.

The rate on such works will be as follows:—

Not exceeding 2 oz. in weight, one penny.

Not exceeding 3 oz. in weight, sixpence.

And twopence for every additional ounce to 16 inclusive, beyond which weight no publication can be forwarded except paid for as letters.

Plates of fashions, music, &c., accompanying newspapers and periodicals, are to be considered as part of such publication, and are not liable to extra charge. Prints published with newspapers, and duly stamped, may be sent by post separately as a newspaper; but those bearing the supplement stamp of $\frac{1}{2}$ d. only, must be sent with the paper it belongs to, and be under the weight of two ounces.

Periodicals posted without previous payment will be forwarded as unpaid letters, and no single pamphlet or work unnumbered, and without reference to its continuance at any other time or period, can be considered or taken to be a periodical.

PAMPHLETS, *although not published periodically*, may be forwarded to the UNITED STATES at the same rates as above, when not exceeding eight ounces.

Stamped Publications.

Stamped Publications, other than Newspapers, must not exceed 2 oz. in weight, and are subject to the same regulations as Newspapers with regard to date, when intended for abroad.

Printed Votes and Proceedings of the Imperial Parliament, and of the Colonial Legislature,

Whether paid or unpaid, pass at the same rates to the colonies, by packet, as between places in the United Kingdom. Where there are no packets, they may be forwarded by private ships at double these rates. They are not, however, forwarded to places through France under the full rates of letter postage. The following are the rates chargeable:—

Under 4 oz., 1d.

Above 4 oz. and under 8 oz., 2d.

Above 8 oz. and under 12 oz., 3d.—and so on.

Books sent at Reduced Rates to certain Colonies.

Printed books, magazines, reviews, and pamphlets (whether British, Colonial, or foreign) may be transmitted by the post between the United Kingdom and

THE BRITISH WEST INDIES,

CEYLON, Do.

At the following reduced rates of postage, viz :—

For each packet not exceeding $\frac{1}{2}$ pound in weight,	0s. 6d.
— — Exceeding $\frac{1}{2}$ pound and not exceeding 1 pound,	1s. 0d.
— — Exceeding 1 pound and not exceeding 2 pounds,	2s. 0d.
— — Exceeding 2 pounds and not exceeding 3 pounds,	3s. 0d.

And so on, increasing 1s. for every additional pound or fraction of a pound; provided, however, that the following conditions be carefully observed :—

- 1st, Every such packet must be sent either without a cover, or in a cover open at the ends or sides.
- 2d, It must contain a single volume only (whether printed book, magazine, review, or pamphlet), the several sheets or parts thereof, where there are more than one, being sewed or bound together.
- 3d, It must not exceed two feet in length, breadth, width, or depth.
- 4th, It must have no writing or marks upon the cover, or its contents, except the name and address of the person to whom it may be sent.
- 5th, The postage must be prepaid in full, by affixing outside the packet or its cover the proper number of stamps.

If any of the above conditions be violated, the packet must be charged as a letter, and treated as such in all respects.

Registered Letters, Foreign, Colonial, and Ship.

In the case of foreign, colonial, or ship registered letters, it must be clearly understood that registration cannot extend beyond the port of despatch in the United Kingdom; and the office does not engage for the security of any registered foreign, colonial, or ship letter longer than while the contents of the mail shall be in the custody of the British Post-Office. Letters, however, addressed to France, and letters passing through France, are exceptions to this rule, the French Post-Office undertaking to provide for their security till they shall have been delivered, if addressed to France, and so long as they remain in the French territory, if passing through France. All registered letters to and from France, and countries passing through France, must be paid to their destination, or to the farthest limit, and are subject to the following regulations :—

1st, A registration fee of sixpence in addition to the British portion (or rate) of the postage upon such letters.

2d, The foreign portion of the rate must be calculated, and the amount doubled.

Registered letters for Belgium and countries through Belgium,

— — Holland and countries through Holland,
— — Hamburg and countries through Hamburg,

are charged with the British registration fee only, in addition to the postage an ordinary letter would be liable to, and the postage must be prepaid.

Registered letters for Prussia, or to foreign countries through Prussia, must be prepaid the full postage (British and Foreign) as well as the British registration fee of sixpence, and a further charge of threepence on each registered letter, whatever may be its weight, on account of the Prussian registration fees. It is hoped that the public will take the precaution to register all letters of value.

Redirected Letters.

Redirected letters between France, Belgium, and Holland, and countries the correspondence of which passes through France, Belgium, and Holland, and the United Kingdom, are returned charged with the same amount of postage that should have been paid by the receivers. Letters originating in the United Kingdom, redirected from France, Belgium, or Holland, are returned under the same conditions, and are liable to a further charge of British postage—viz., 5d. from Calais, and 8d. from Holland.

All other redirected letters, which cannot be forwarded without prepayment of postage, must be sent to the Dead Letter Office to be returned for the amount due—viz., for their conveyance to the United Kingdom (if the postage to the United Kingdom is not paid), and for the further amount from the United Kingdom to the place of redirection.

Redirected Newspapers.

Newspapers originating in the United Kingdom, addressed to parties in France, Belgium, and Holland, who have returned, may be redirected (on the original covers) to them, and are liable to the first charge only.

Newspapers from the colonies and foreign countries, for persons who may have removed, may be

redirected to them at any place within the United Kingdom free of postage, provided they have not been opened at the place to which they were originally addressed. But a newspaper which has been opened is charged at the same rate as if it were a letter from the place of redirection to the place at which it may be ultimately delivered. Newspapers upon which any colonial or foreign postage may be due when redirected, shall be delivered at any place within the United Kingdom for the same amount of postage that would have been chargeable had they been delivered at their original address. Newspapers from one foreign country or colony to another, in transit through, and addressed to the care of a person in, the United Kingdom, may be redirected forward without extra charge, provided they have not been out of the custody of the Post-Office; but such Newspapers cannot be reposted without incurring the charge of letter postage.

Non-Commissioned Officers, Seamen, and Soldiers in her Majesty's Service Abroad.

Letters to seamen and soldiers may be forwarded by post at the rate of one penny each, under the following regulations:—

- 1st, The penny must be paid at the time the letter is put into the Post-Office.
- 2d, The direction must signify the class of seaman or soldier.
- 3d, The name of the ship, regiment, or corps, to which he belongs.
- 4th, The letter must not exceed half an ounce, and be upon their private concerns only.

Letters for seamen and soldiers, whether in her Majesty's or the East India Company's military or naval service (while on actual service), may be forwarded, under the foregoing regulations, to India, China, &c., *via* Southampton. They can now be sent to India, *via* Marseilles, on payment of the British rate of 1d., besides the French rate of 5d., if under a quarter of an ounce, or 10d. exceeding that weight, or to any foreign country, on payment of the foreign rate of postage in addition to the British rate of 1d. as above.

Letters for seamen and soldiers forwarded by private ships (with the following exceptions:—St Helena, East Indies, New South Wales, Cape of Good Hope, and Mauritius) are charged 3d. each.

Letters of soldiers and seamen, addressed to the United States of America, will in future be chargeable with the American rate of five cents, or twopence-halfpenny sterling each, in addition to the ordinary British rate of one penny; the postage of all such letters must be prepaid.

Warrant officers, either in the army or navy, or masters' mates, or engineers of the navy, are not entitled to transmit letters at less than the usual rates of postage.

Seamen's or soldiers' letters received from any part beyond sea, upon which the said penny has not been prepaid, shall be charged to the receiver with double the rate—*viz.*, 2d. each.

Redirected Letters for Officers, Soldiers, and Seamen.

Letters redirected to commissioned officers in the army or navy, subject to foreign or colonial postage, may be forwarded to such officers when removed upon service (whether at home or abroad), and be delivered to them for the same amount of postage that would have been chargeable had they been delivered at their original address. In all other cases they are subject to the same regulation as ordinary redirected letters. Soldiers' and seamen's letters are not liable to any additional rate upon redirection.

Money Order Office.

Money Orders are issued and paid at the General Post-Office, Edinburgh, between the hours of 10 and 4.

The Commission chargeable for Money Orders is threepence on sums not exceeding £2; and on sums above £2, and not exceeding £5, sixpence. No Order will be given for sums beyond this amount.

The Money Order Office, and the system of Registration, have been devised expressly for the security of Money and other valuable property transmitted through the Post-Office. With the great convenience thus afforded for transmitting small sums at so low a charge, and the power given of Registering Letters containing value, it is hoped the public will no longer forward letters of value except in one or other of these methods.

In all cases where personal attendance is inconvenient, if the Money Order is receipted by the person to whom it is made payable, and the party presenting it for payment can afford full information as to the Christian name, surname, address, and occupation of the person *who originally obtained the Order*, payment will be made; but unless these conditions are strictly complied with, it will be refused. Any Money Order presented through a bank, will be paid, without the name of the remitter and the signature in full of the Christian name of the payer being insisted upon as a condition of payment, provided that the bank be situated in the town on which the Money Order is drawn, that the order be crossed with the banker's name, and the party applying at the Money Order office be known there as in the employment of the bank. It must be understood, however, that in all such cases the liability of the Post-Office will absolutely terminate with the Payment of the Order so presented.

With a view to simplicity and economy in the accounts of the Money Order Office, it has been found necessary to lay down the following rules:—

1. Every Money Order issued on or after the 6th October 1848, must be presented for payment before the end of the second calendar month after that in which it was issued (for instance, if issued in October, it must be presented for payment before the end of December), otherwise a new Order will be necessary, for which a second commission must be paid.

2. If an Order be not presented for payment before the end of the twelfth calendar month after that in which it was issued (for instance, if issued in October, and not presented before the end of the next October), the Money will not be paid at all.

3. As, after once paying a Money Order, by whomsoever presented, the Office will not be liable to any further claim, the public are strictly cautioned—

a. To take all means to prevent the loss of the Money Order.

b. Never to send a Money Order in the same letter with the information required on payment thereof.

c. To be careful, on taking out a Money Order, to state correctly the Christian name as well as the surname of the person in whose favour it is to be drawn.

d. To see that the name, address, and occupation, of the person taking out the Money Order, are correctly known to the person in whose favour it is to be drawn.

4. Neglect of these instructions will lead to delay and trouble in obtaining payment, and even risk the loss of the Money.

These instructions, together with some others of minor importance, will be found printed on every Money Order.

See pages 386 to 407 for places in Scotland, England and Wales, and Ireland, upon which alone Money Orders can be drawn, and at which they can be issued. A Money Order intended for a person residing at a place in which there is no Money Order Office, should be drawn upon the Post-Town nearest to it which may have a Money Order Office.

BYE-LAWS FOR THE HACKNEY CARRIAGES OF EDINBURGH.

SECTIONS OF THE EDINBURGH POLICE ACT, 1848, RELATIVE TO HACKNEY CARRIAGES.

232. Be it enacted, That it shall be lawful for the Magistrates, from time to time, to license such number of Hackney Coaches, of any kind or description, to ply for hire within the limits of this Act, as they shall think fit; and to prevent all others not licensed from plying for hire, or occupying any part of the streets within the said limits.

233. And be it enacted, That every Licence so to be granted shall be signed by the Magistrates, or any one of them, and shall express the number of the Hackney Coach, and shall not include more than one coach so licensed, and shall be in force for one year only from the day of the date of such Licence, or until the next general licensing meeting, in case any such general licensing day shall be appointed by the Magistrates, as they are hereby authorized to do.

234. And be it enacted, That every Licence shall be made out by the Clerk to the Magistrates, and duly entered in a book to be provided by them for that purpose, with the Christian, and surname, and place of residence of the person whose Coach shall be licensed, and the number of the Licence; and in such book shall be contained columns or places for entries to be made of every offence committed by any owner, driver, or person attending such Coach; and for every such Licence there shall be paid to the said Clerk the sum of One Shilling.

235. And be it enacted, That any such Licence may, for the misconduct of the owner, or driver, or person attending such Hackney Coach, be suspended or revoked by the Magistrates, or any of them, as they shall deem right.

236. And be it enacted, That if the Driver of any Hackney Coach shall be found standing or plying for hire, or using any such Coach, within the limits of this Act, without such Coach being licensed by the Magistrates, the owner or driver of the Coach so offending, shall, for every such offence, be liable to a penalty not exceeding Forty Shillings.

237. And be it enacted, That if any person shall refuse to pay, on demand, the regular fare due by him for the hire or service of any licensed Hackney Coach, he shall be liable to a penalty not exceeding Ten Shillings.

238. And whereas it is expedient that the Drivers of Hackney Coaches should be licensed, be it enacted, That every person shall be licensed by the Magistrates before he shall act as Driver of any Hackney Coach, licensed in pursuance of this Act to ply for hire within the said limits; and that every such Licence shall be registered at the Office of the Clerk to the Magistrates (a certificate of which registry shall be given to every such person upon payment of the sum of One Shilling), and every person neglecting to register his Licence shall be liable to a penalty not exceeding Forty Shillings.

239. And be it enacted, That if any person shall act as such Driver, as aforesaid, without having obtained such Licence, or if any Driver being duly licensed shall lend or part with his Licence or Badge, or if the proprietor of any such Hackney Coach shall employ any person as the Driver thereof, who shall not have obtained such Licence, every such person, and every such proprietor, shall, for every such offence, be liable to a penalty not exceeding Forty Shillings.

240. And be it enacted, That, for better regulating the Hackney Coaches to be so licensed as aforesaid, it shall be lawful for the Magistrates, from time to time, to make such bye-laws as they shall think fit, for all or any of the following purposes; that is to say,

For regulating the conduct of the owners and drivers thereof respectively in their several employments:

For regulating the hours within which they may exercise their calling:

For regulating the number of such Hackney Coaches:

For regulating the number of persons to be carried by such Coaches, and what number of horses are to draw the same:

For fixing, altering, and regulating the stands of such Coaches, and the distance to which such Hackney Coachmen or persons attending the Coaches shall be obliged to drive, not exceeding Seven Miles from the Cross of Edinburgh.

For fixing the rates or fares to be paid for such Hackney Coaches:

For punishing the misconduct of Hackney Coachmen and persons attending such carriages, whether in the way of imposition by demanding or receiving more than the regular fare, or otherwise:

And the Magistrates may, from time to time, as they shall think fit, repeal any such bye-laws, and make others in their stead, which bye-laws, before being put in force, shall be inserted at least once in three several newspapers published in Edinburgh, and otherwise as the Magistrates shall direct.

241. And be it enacted, That it shall be lawful for the Magistrates, by the bye-laws so to be made by them, to impose such reasonable penalties for enforcing the better observance thereof as they shall think fit, not exceeding Forty Shillings for any one offence, and to provide for the recovery of such penalties: Provided always, that such bye-laws shall be so framed as to allow the Magistrates before whom any penalty imposed thereby may be sought to be recovered, to order the whole or any part of such penalty to be remitted.

242. And be it enacted, That if any person shall wilfully cut, break, or injure any Hackney Coach, such person shall, for every such offence, be liable to a penalty not exceeding Five Pounds, and shall also pay to the owner of such Hackney Coach or Carriage reasonable satisfaction for the damage sustained by the same; and such satisfaction shall be ascertained by any of the said Magistrates before whom the conviction takes place, and shall be recovered by the same means as the penalty.

243. And be it enacted, That all complaints arising out of any breach of the provisions of this Act, or any bye-law made in virtue thereof, in so far as regards the owners and drivers of Hackney Coaches or other Carriages, shall proceed at the instance of the Procurator Fiscal of the said city before the Magistrates.

FARES.

9. (I.) FARES BY DISTANCE.

- 1st, The distance to which any Hackney Carriage may be driven under these Bye-Laws, shall be seven miles from the Cross of Edinburgh.
- 2d, When a party not exceeding two grown-up persons, and without any luggage other than a carpet-bag or the like, enters a Carriage at a Stance, or when driving along disengaged, they shall be driven half a mile for 6d., and if they return they shall pay another 6d.

Note.—No measurement of this distance is given in the Tables, but the Public and Drivers may easily compute it, from knowing that it is half a mile from the Register Office to the following places, viz., South Castle Street, West End of Regent Terrace, Surgeons' Hall, Nicolson Street, and Gayfield Place, Leith Walk.

- 3d, Excepting the Sixpenny Fare, the Fares by distance shall be as shewn in the annexed Table of Fares. The charges in the Table shall include going from the nearest Stance to the Hirer's residence and waiting ten minutes. But if the Carriage be detained before starting more than ten minutes, a charge of waiting at the rate of 6d. for each quarter of an hour, or part thereof, after the expiry of the ten minutes, shall be allowed; and if the place where the Hirer is to be lifted be beyond the nearest Stance, or above half a mile from the Stance, whence the Carriage is taken, there shall be a charge of 6d. extra.
- 4th, When any Place is not mentioned in the Table, the Fare shall be the same as that to any place mentioned which may be in the immediate vicinity.
- 5th, When the Fare of any particular place not mentioned cannot be ascertained by reference to a place in the immediate vicinity, the Fare shall be 1s. for a distance from the Stance not exceeding a mile and a half, and 6d. for every additional half mile, or part thereof, calculating the distance in the case of the Centre Stance from George Street Assembly Rooms.
- 6th, Half Fare returning.
- 7th, When parties return (which they shall have the option of doing), and the Fare going is 1s., the Carriage shall wait ten minutes without any charge for waiting; when 1s. 6d., fifteen minutes; when 2s. and upwards, twenty minutes. If the Carriage be detained longer, a charge will be allowed for waiting, at the rate of 6d. for every twenty minutes, or part thereof, commencing at the periods when the free waiting expires.
- 8th, When a Carriage is called but not used, a charge of 6d. shall be allowed, if the place to which it is called be under half a mile from the Stance, and a Shilling if beyond that.—Waiting as in section seventh.

(II.) FARES BY TIME.

It shall be in the option of the Hirer to employ a Carriage within the bounds of Police by time, for *bonâ fide* SHOPPING, MAKING CALLS, and the like, where the driving is not continuous. The charge in such cases shall be 1s. for the first half hour, and 6d. for every additional quarter of an hour.

For an Airing into the Country within five miles from the General Post-Office, and returning either by the same or a different road, the rate shall be Sixpence for every ten minutes. A drive round the Queen's Drive to be considered an Airing. Unless the Hirer wishes a slower rate, the rate of driving when out an Airing shall be at least six miles an hour. If the Airing go beyond five miles, the duty to be paid in addition.

(III.) WHETHER THE FARES ARE BY DISTANCE OR BY TIME,—

- 1st, The Hirer pays Tolls.
- 2d, If there be more than four grown persons driven, a charge of 6d. extra shall be made for each additional grown person, and a charge of 6d. for each two children above six years of age. No additional charge for one child above six or children under six.
- 3d, For Luggage exceeding 70 lbs. in weight there shall be a charge of 6d. extra. But there shall be no charge for Luggage under that weight. The Driver shall assist in loading and unloading in all cases when required.

4th, From Eleven at Night till Eight Morning, Fare and a half.

5th, The above Fares for One-Horse Carriages. The Fares for Two-Horse Carriages shall be one-third more.

6th, Owners or Drivers may agree to drive at lower Fares than those fixed. In that case, should they demand more than the Fare agreed on, they shall be liable as for an overcharge.

(IV.) FARES MAY BE WITHHELD.

Any Party shall be entitled to withhold payment of the Fare,—

1st, When the Name and Number are not painted outside, or when there is no card or plate inside, in terms of Article Second of these Bye-Laws.

2d, When the Reference-Ticket is not offered on entrance.

3d, When the Bye-Laws, Table of Fares, and Driver's Licence are not shewn on demand; and,

4th, When an overcharge is made.

PROPERTY LEFT.

10. All Property left in Carriages shall be immediately returned to the owner if known, or if not known, shall within 24 hours be delivered to the Depute City Clerk at the Council Chambers, and the Driver shall be rewarded in such cases as the Magistrates may direct.

REDRESS.

11. Parties contravening these Bye-Laws are liable for each contravention in a penalty not exceeding Forty Shillings, or to withdrawal or suspension of the Licences, in a prosecution before the Magistrates; and Parties aggrieved will obtain Redress on application to the Procurator-Fiscal at the City Chambers, within eight days after the date of the offence.

Note.—Attention is specially directed to the 237th Section of the Police Act, which imposes a Penalty not exceeding 10s. on any person who refuses to pay the Regular Fare on demand.

[*Caledonian Insurance Company—continued.*]**Life Department.**

THE satisfactory progress of this department of the Company's business during the past year (the number of Policies issued having considerably exceeded those issued in the previous year) is not a little to be attributed to the benefits offered to Assurers under the different plans embraced by this Company for facilitating transactions in Life Assurance so as to meet the wants of parties.

The Rates of Premium also will be found to be peculiarly favourable.

The Non-Participating Scale, for example, will bear a favourable comparison with the rates of other companies; as will be seen from the following extract from the Tables:—

Annual Premium to Insure £1000 at Death.

Age.	Caledonian.	Scottish Provident.	Widows' Fund.	Scottish Equitable.
20	£16 5 0	£17 16 8	£21 0 10	£21 0 10
30	20 15 0	20 15 0	25 17 6	25 17 6
40	27 5 0	27 7 6	33 2 6	33 2 6
50	39 17 6	40 15 10	44 11 8	44 11 8
60	61 10 10	63 5 10	63 3 4	63 3 4

The two last societies give the Assured a Share of their Profits, but these are contingent on many circumstances; and it will not be affirmed that the same high Bonus Additions which have hitherto been given by the most successful offices can be continued for a length of time."

The Provident profess to divide their Profits, but none have been yet declared; nor can any Policy have a share of those allocated to it until "the Premiums accumulated, with interest at four per cent, shall be equal in amount to the sum insured;" and the chance of receiving a share of the Profits must be taken in conjunction with the following statement:—"The Premiums being founded on moderate data, are charged at such a rate only as secures the perfect safety of the original contract."

It will thus be seen that £1000 can be insured by this company on a life of 30, for £20, 15s. 10d., while it would cost £25, 17s. 6d. with either of the two last societies; or, in other words, £1244, 9s. 9d. may be insured by the Caledonian for the same Premium for which £1000 can be insured with these societies, thus securing at once a Bonus of £244, 9s. 9d. in the event of death.

This company also gives Assurers the option of participating in the Profits to the extent of about 84 per cent on a very favourable scale of premium, with the guarantee of an ample capital.

IMPORTANT NOTICE.

Parties effecting Assurances, under certain exceptions, may, on application, receive a Certificate declaring them exempt, after the expiry of five years from the date of the Assurance, from the payment of extra Premium for travelling or residing beyond the limits of Europe, and from the necessity of applying for licence so to travel or reside, or for entering, after expiry of said five years, into Military or Naval Service—provided it shall be shewn, to the satisfaction of the Directors, that the party has, at the time of application, no intention or prospect of going abroad, or of entering into Military or Naval Service as aforesaid; and all Policies may, on application, if the Directors see fit, either at entry or afterwards, be declared indisputable on any ground whatever, after the lapse of five years from their date; and the Assured may receive a Certificate or Indorsement on their Policies to the above effect.

Fire Department.

The Company insures Houses, Manufactories, Rents, Furniture, Goods, and Merchandise, Farming-Stock, and Shipping in Port or Dock, from loss and damage by Fire, upon liberal terms.

No charge is made for Policies when the sum insured amounts to £300, nor for Policies when the Insurance is transferred from other Companies.

AT the ANNUAL GENERAL MEETING of the Members of this Society, held on 2d March last, the following results, as regards the Society's progress during the past year, were reported by the Directors:—

I. AS TO BUSINESS.

The number of New Policies opened with the Society during the year amounted to 643—the total amount assured under these Policies being £412,565, 4s. 6d.

On an average of the last fourteen years, the amount of New Assurances effected had exceeded

HALF-A-MILLION STERLING PER ANNUM.

Ninety-seven Members had died during the year—the sums assured under their Policies amounting to £105,978, 14s. 9d.; and this amount of Mortality was only in the ratio of 53 per cent of what might have been expected according to the Tables on which the Society's calculations are based.

The Total Sums assured under existing Policies (exclusive of Annuities and Bonus Additions), amounted to

£7,135,281, 2s. 4d.

II. AS TO FUNDS.

The Society's Capital had increased, during the year, to the extent of £140,642, 10s., and amounted, at 31st December last, to upwards of

TWO MILLIONS FOUR HUNDRED AND FIFTY THOUSAND POUNDS STERLING.

III. AS TO REVENUE.

The Society's Revenue had also increased, during the year, to the extent of £12,150, 0s. 8d., and at the same date exceeded

THREE HUNDRED AND EIGHTEEN THOUSAND POUNDS.

[Continued.]

[*Scottish Widows' Fund Life Assurance Society—continued.*]

The Directors consider that the above statements of themselves bear ample testimony to the high standing of the Society, and they would beg leave to refer to one or two of the leading principles upon which it is founded, and to which, they do not hesitate to say, the Institution is mainly indebted for the unprecedented prosperity which has attended all its operations :—

Unlike all insurance "*Companies*" consisting of bodies of *proprietors* or *shareholders*, who receive a proportion, and, in many cases, the whole of the Profits, this "*Society*" consists exclusively of its own members, each one paying into a common fund a certain annual sum (or its equivalent) in proportion to his age and the amount of Assurance.

The *whole Profits* of the Society, therefore, belong to the Assured, and are *exclusively* devoted to their benefit.

These Profits are ascertained at periodical intervals; and in order to maintain the stability of the Institution, the Laws of the Society require that one-third thereof shall be reserved till the succeeding period of investigation, to be then included in the Profits to be dealt with in like manner.

The remaining two-thirds are converted into what is called "*Bonus Additions*,"—i. e. *additions to the original sums assured, and payable along with these at death*; but members who desire it, can receive the present value of these Bonus Additions *in cash*, or they may apply this value towards the *reduction and gradual extinction of the Premiums payable under their Policies*.

When Policies are of *sufficient value* to admit of it, the Directors are empowered to grant Loans on their security, of sums not less than L.50.

In the event of a party becoming unwilling or unable to keep his Policy in force, the Directors are empowered to accept the surrender thereof, and to pay the party, in right of it, a sum equivalent to its value at the date of surrender.

Greatly increased facilities have lately been given to parties leaving Europe; the Extra Premium formerly chargeable for residence in certain parts having, in many cases, been either reduced or entirely dispensed with—in these latter cases, only a small charge for risk of sea voyage being now made.

The above are a few of the leading features of this Society. The Directors might allude further to the fact of its being the *Oldest Institution of the kind in Scotland*—having been the means of introducing the system of Life Assurance into that part of the kingdom. Corroborative of some of the statements above, they might refer to the fact of the Society, since its commencement, having issued Policies covering Assurances to the extent of upwards of

Ten Millions Sterling,

upwards of Seven Millions of which have been effected during the last fourteen years.

These general facts, the Directors feel assured, are sufficient to prove the high estimation in which this Institution has always been held by the public, and cannot fail to secure for the future the same amount of favour which it has so long been privileged to receive.

Since 1841 the Company have assured, it will be perceived, upwards of **Four Millions** of Pounds sterling—

£1,832,625 in the first period of five years, and

£2,245,470 in the second period of five years;

Or, on an average for ten years, above **£400,000** per annum of New Business.

DIVISION OF PROFITS.

The Profits of the Company are ascertained every Five Years, and Additions, by way of Bonus, have been made to the Policies at Four Periods, 1835, 1840, 1845, 1850. The following are examples:—

Date of Policy.	Sum in Policy.	Bonus Additions.	Together.	Date of Policy.	Sum in Policy.	Bonus Additions.	Together.

SURRENDER OF BONUS FOR VALUE IN CASH.

According to this method, if the person assured does not wish the sum in his Policy increased, he may surrender the Bonus, and take its value in cash; that is, instead of the amount being paid with the sum assured at death, such a sum will now be given as the Directors may consider equivalent to it in present value.

In the case of the Policy of £1000 opened before 15th November 1825, for instance, as quoted above, assuming the party to have assured at the age of 35, and to be now 60 last birthday, the sum of £463, 7s. 9d. would be given for a surrender of the Bonus of £873, while the Policy will continue to receive its share of profits, at future investigations, as if the surrender had not taken place.

APPLICATION OF THE BONUS TO THE EXTINCTION OF ANNUAL CONTRIBUTIONS.

A person, aged 45, who assured in 1830 for £1000, has received Bonus Additions to the extent of £633. He pays a premium of £37, 7s. 6d., but wishes to apply the Bonus in extinction of the Annual Payment. His age being 65 last birthday, he can redeem his future Premiums by surrendering £578, 14s. 9d of his Bonus, leaving £54, 5s. 3d. to be paid along with the sum assured at death, and will receive further additions at each Investigation he may survive.

SELECT ASSURANCES.

The Public are indebted to this Company for the introduction of new and important benefits in the practice of Life Assurance. A Standard Policy which has existed for Five Years is admissible to a class of "SELECT ASSURANCES;" and in that class all Policies are unchallengeable on any ground of objection whatever. The Directors have also made provision, in connexion with that class, for relieving the Assured who have no prospect of going abroad, from the usual irksome restrictions as to Residence beyond the limits of Europe. Persons lending money on the security of Policies, Marriage Trustees, and, in short, all who rely on the security afforded by Life Assurance, cannot fail to appreciate these new and important advantages.

A full Report on the late Investigation of the Company's affairs and Division of Profits can be obtained by application at the Offices or Agencies of the Company.

Extract from the "Post Magazine."

"We know of no other Institution for transacting Fire Assurance business started since the passing of the Registration Act, that can be at all compared with it, either in respect to the extent, or the success of its operations:—The full exposition of receipts, expenditure, profits, dividends, and accumulation, furnished in the Annual Reports of the Royal affords unerring evidence of the state of prosperity which we are desirous to offer as an illustration of what can be accomplished by energy, good management, and high reputation.

"Looking at the action of the Society from its formation in 1845, we find that at the end of 1848 the accumulated profits amounted to the enormous sum of £108,641 14s. 11d. Of that amount it was determined to appropriate £89,280 as a bonus addition to the original paid-up capital of £178,560—being a clear realised profit of 50 per cent in 3½ years."

Extract from the "Reporter."

"The report before us pre-eminently justifies the opinion we have previously expressed, that the Royal Assurance Company ranks at the head of all assurance companies projected and got into working order during the last half-dozen years, and has transacted, and is transacting, an amount of business which very many of the 'elder' offices have never approached, and are not likely to do so for some time to come. In both the life and fire branches an enormous, we confess an almost incredible, increase of business is exhibited, as compared with that transacted in former years. The life branch had also progressed most satisfactorily. The strange immunity from claims by death is perfectly remarkable, and speaks 'trumpet-tongued' of the diligence and care exercised by the medical officers and the directors in the selection of the lives."

Life Assurance.

THIS Institution, which combines every advantage of a Scotch and English Office, while it hopes to receive the *especial Patronage of Episcopalians*, rests its claims to the support of the *Public generally* on the sound and equitable principles of its scheme.

It combines the **MUTUAL** or Participating, with the **PROPRIETARY** or Non-Participating System of Assurance.

In the former, the Assured are entitled to **FOUR-FIFTHS** of the Accumulated Profits. In the latter, they are charged the lowest Rates of Premium consistent with security to the Establishment.

In both branches the Policy-holders are fully protected by the large Proprietary Capital of the Company, subscribed by a numerous and influential body of Shareholders.

The remarkable success of the Institution will be evident from the result of the recent Division of Profits, when a **BONUS** of **FIFTY-SIX** per Cent on the Premiums paid was declared—or an equivalent Reduction varying from **TWENTY-FIVE** to **FORTY** per Cent on the Premiums payable during the ensuing five years.

Fire Assurance.

Premiums of Assurance against Fire are charged at the usual moderate rates, with a Reduction of **L.10** per Cent on the Residences and Furniture of Clergymen of *all denominations*, and the Buildings and contents of Churches and Church Schools.

Detailed Prospectuses, the necessary Forms of Proposal, and every requisite information as to the mode of effecting Assurances, may be obtained either by letter or personal application at the Branch Office of the Institution, 55 Great King Street, Edinburgh, or from any of the Agents there.

HEAD OFFICE FOR SCOTLAND—95 GEORGE STREET, EDINBURGH.

Fire and Life Assurance.

Parties effecting Assurances with the ALLIANCE COMPANY enjoy the following important advantages:—

1. **PERFECT SECURITY.** The large Capital, and upwards of One Thousand Shareholders composing the Company, render the security presented to the Public undoubted.
2. **MODERATE PREMIUMS OF ASSURANCE.**
The Rates of the Premiums of Assurance for the greater part of life will be found lower than those in use among many of the older and most respectable Offices.
The Premiums of Assurance on Fire are the same as those demanded by the First Class of Assurance Companies.
3. **PARTICIPATION OF PROFITS BY THE ASSURED BOTH IN LIFE AND FIRE.**
THE PROFITS OF THE LIFE DEPARTMENT, appropriated every Five Years, are applied either to the Reduction of the future Premiums payable on the Policy, or to the Increase of the Sum Assured, as may be most agreeable to the Policy-holder.
THE PROFITS OF THE FIRE DEPARTMENT appropriated to the Assured are distributed at the close of each successive period of Five Years, in the form of a Per-Centage on the Premiums which have been paid.
4. Parties who obtain the settlement of Losses from Fire are not thereby deprived of their right to participate in the Profits of the Company.
5. Losses by Lightning are made good.

NEW LIFE TABLES.

The Board, with a view of giving increased facilities to the Public in the transaction of Life Business, have directed the construction of various Tables in addition to those they had previously in use.

1. Non-Participating, on Reduced Rates of Premium.
2. Tables on Increasing and Decreasing Scales.
3. " subject to a Limited Number of Annual Payments.
4. " for Endowment Assurances.

No Entrance Fees are charged. The Assured may proceed to any part of Europe without extra Premium. The Lives of Naval and Military Officers, not in actual service, are taken at the usual rates. A Commission to Solicitors and Agents bringing business is paid.

Loans on the Deposit of unencumbered Policies of the Company are made, up to their value, without Legal Expense to the Borrower.

Claims under Scottish Policies will be regarded as Scottish Debts, and be payable in Scotland on Scottish Titles.

THE **EQUITABLE FIRE COMPANY**, by careful attention to proper Classification and Average of Risks, is enabled to offer rates of Premium considerably lower than the average of other offices, and will, by a constant analysis of its own experience, adopt such rates of Premium as the nature of the risk may justify, and declines entering into arrangements, as regards Tariffs, with other offices.

An Annual Investigation will be made into each class of risk, and a return of one moiety of the nett excess will be made to all Insurers whose Policies have been in force for three years.

Insurances effected on the Lowest Terms.

LIFE ASSURANCE.

At the FIRST INVESTIGATION of the Company's Life business, made at 15th MAY 1851, a LARGE SURPLUS WAS FOUND TO HAVE ARISEN, after discharging all claims and expenses of every description.

Out of the PROFITS realised, a VESTED BONUS ADDITION was made to every existing Policy in the Participating Scheme, varying from one to eight per cent on the sums assured, and exceeding in some cases sixty-four per cent of the Premiums paid.

The Second ANNUAL Investigation and Division of Profits takes place in 1852, and every Participating Policy will share in each division.

The RATES OF PREMIUM, both in the Participating and Non-Participating Scale, are lower than those of most other Offices. Assurances may be effected by SINGLE PAYMENT, or by a limited number of Annual Payments, on very favourable terms.

A LIBERAL VALUE IN CASH is given for the surrender of the Annual Bonuses, so as to make a large reduction on the second and every succeeding year's premium.

Policies are admissible to very important privileges, whereby they may become ABSOLUTELY FREE FROM ALL LIABILITY TO DISPUTE, OR TO PAYMENT OF EXTRA PREMIUMS UNDER ANY CIRCUMSTANCES.

In the *three months* from the first of December 1851 to the end of February 1852, no less than *Three Hundred and Sixteen new Policies* have been effected, covering assurances for the sum of £50,427, the largest number ever issued in the same period of time since the establishment of the office.

ADVANTAGES OF THIS OFFICE.

1. Entire profits belong to the assured.
2. No lawsuits—disputes, if any, settled by arbitration.
3. Any sum may be assured, from £25 to £3000, payable to the Member himself on attaining any fixed age, or at once to his Representatives, in case of earlier death.
4. Arrears may be paid up at any time, within twelve months, upon production of certificate of health.
5. Policies indisputable.
6. This Society is formed entirely on the Mutual Principle, and possessing advantages resulting from being enrolled under the provisions of the Acts of Parliament relating to Friendly Societies, whereby the sums assured to the Widow, Widower, or Children of deceased Members, are payable to them free from Legacy or Probate Duty—a privilege which the Directors, by considerable effort, were the means of securing.
7. By a clause in the New Act relating to Friendly Societies, the Board is empowered to advance Loans to Members on the security of their Policies, of Five Years' standing and upwards. The mode of procedure in such cases is easy and simple, entailing no trouble or legal expense, and many Members have already availed themselves of the privilege.
8. A lower rate of mortality than in any other office in Great Britain.
9. Liberty to travel or reside in any part of Europe, in Canada, and in the northern part of the United States, without extra charges.

N.B.—The Temperance and Public sections are kept in separate classes, and will each receive their own profits. Prospectuses, also copies of the Eleventh Annual Report, may be had at the BRANCH OFFICES, and at the CHIEF OFFICES in London and Edinburgh.

THIS Office was established for the express purpose of protecting Insurers against the *High Rates* charged by most of the other Companies for Corn Mills and their Contents.

The Board is composed of PRACTICAL men, some of whom are themselves Millers and Mill-owners, and who may therefore be expected to understand well the nature of the risk involved. As the chief risk of fire does not lie in the STONES of a Mill, the Premium fixed has no direct reference to the NUMBER OF PAIRS there may be in use.

The long standing and success of this Company is the best evidence of the satisfaction given to the Public.

Losses settled with promptitude and liberality.

[*Scottish Union Fire and Life Insurance Company—continued.*]

LIFE DEPARTMENT.

THE following advantages are offered by this Company :—

I. SECURITY.

It is possessed of a very large Subscribed Capital, divided among a numerous body of Proprietors, and thus the absolute security so essential to a Life Assurance Society is afforded in its most substantial form

II. PREMIUMS.

The Rates of Premium have been calculated expressly for it, and will bear a fair comparison with those of other Companies. No ENTRY-MONEY IS CHARGED. Parties may assure either a specific sum, payable at death, on payment of a reduced rate of premium ; or, on payment of an increased rate, they may participate in the Profit Scheme of the Company.

III. DISTRIBUTION OF PROFITS.

TWO-THIRDS of the Profits arising on the Participating Class of Policies, *without being subject to any charges for Management*, are divided EVERY FIVE YEARS among those entitled to participate, on the MOST EQUITABLE PRINCIPLE, viz., in the proportion each party has contributed to the Fund.

The following Table shews the Additions made to Policies of L.1000 which have been in existence Seventeen complete years, from 1st August 1834 :—

Age when Assured under.	Additions.			Total Sum Payable in case of Death.		
	£	s.	d.	£	s.	d.
30	250	1	6	1250	1	6
35	254	2	6	1254	2	6
40	259	6	11	1259	6	11
45	267	11	10	1267	11	10
50	281	12	7	1281	12	7

Thus averaging upwards of one and a half per cent per annum on Policies which have been in existence from the commencement of the Profit Scheme in 1834, a period of Seventeen years.

The Bonus may be applied, at the option of the Assured, in any of the following ways :—

I. It may be added to the Sum Assured ; or,

II. Applied in Reduction of Future Premiums ; or,

III. Surrendered for its Present Value in Cash.

Liberal Sums allowed for the Surrender of Policies after Three Premiums have been paid.

Assurances may be effected on the Increasing or Decreasing Scale of Premiums, and upon Joint Lives and Survivorships.

Assurances without Participating in the Profits on a Reduced Scale of Premiums.

FIRE DEPARTMENT.

This Company Insures almost all kinds of property against accidents arising from Fire, at rates commensurate with the risk.

The Directors can with confidence refer to the promptitude and liberality with which accidental losses are adjusted by this Institution.

Losses by Lightning to Farming Stock are paid.

Copies of Prospectus and all other information may be had on application at the Offices of the Company, or to any of the Company's Agents.

Life Department.

THIS Company effect Life Insurances on equitable principles, with entire exemption from the liability of Partnership.

A large Capital, subscribed by the Proprietors, forms the security of the Assured.

The Premiums may all be paid at once, or in any given number of years—or quarterly, half-yearly, or yearly, as may suit the convenience of those holding the Policies.

Insurances may also be effected by paying an increased rate of Premium for a certain number of years, to be afterwards correspondingly reduced for the remainder of life; or, by beginning with a low Premium, to be increased when the expectation of greater means may be realised; or, two-thirds only of the Premium may be paid, allowing the remaining one-third to be a charge upon the Policy until its expiration, to be then deducted unless previously paid up.

All transactions in the Life Department are considered strictly confidential.

Prompt payment of claims is made three months after proof of death.

Loans granted on the Policies of this Office.

The following Rates of Insurance for Single Lives are given as specimens from the Tables :

Age.	Premium per Cent for an Assurance for One Year.	Premium per Cent for an Assurance for Seven Years.	Premium per Cent for an Assurance for Life.

THE allowance of Ten per Cent which has been made on the Premiums paid on Policies of Seven Years' standing, is the surest proof of the unprecedented success of this Institution.

Life Department.

Under the Provisions of an Act of Parliament, recently obtained, this Company now offers to future Insurers a *Low Rate of Premium*, without participation in Profits; or a Moderate Scale of Premiums, with *Four-fifths of the Profits* to be derived from all Assurances hereafter effected.

The Divisions of Profits, which heretofore have been made Septennially, will in future be made *Quinquennially*, the first of such Divisions to be declared in June 1855, when all Participating Policies, which shall have subsisted at least one year at Christmas 1854, will be allowed to share in the Profits.

At the several past Divisions of Profits made by this Company, the Reversionary Bonuses added to the Policies from *One-half* the Profits, amounted, on an average of the different Ages, to about One per cent per annum on the Sums Insured, and the total Bonuses added at the four Septennial Divisions exceeded L.770,000.

FOREIGN RISKS.

The Extra Premiums required for the East and West Indies, the British Colonies, and the northern parts of the United States of America, have been materially reduced.

LOANS

Granted on Life Policies to the extent of their values, provided such Policies shall have been effected a sufficient time to have attained in each case a value not under L.50.

No additional Premium will be required from Military Men, unless when called into actual service. No charge will be made for Entrance-Money, Admission Fees, or for Policies beyond the cost of the Stamp.

THE Assured in this Society enjoy *during their own lives* the Surplus or Profits arising on the business. The divisible Surplus is ascertained *every year*, and is paid over *in money* to the Assured at the settlement of their next Annual Premiums. By this system Life Assurances are obtained at the *lowest expense* consistent with security.

In 1845, 1846, and 1847, the surplus thus repaid to the members amounted to 30 per cent of their Premiums, that is, 6s. per L.1. They were, therefore, required to pay only 14s. per L.1 of their Premiums in each of these years. In 1848, 1849, 1850, and 1851, the surplus repaid amounted to 35 per cent of the Premiums, that is, 7s. per L.1; and the members had, therefore, to pay only 13s. per L.1 in these years. For example:—

A member whose annual Premium is L.10, has, this year, paid only L.6, 5s.; and another member whose annual Premium is L.25, has paid only L.16, 5s.

The following are specimens of the Premiums payable in the present year by members of five years' standing:—

Age at Entry.	Policies of £100.	Policies of £500.	Policies of £1000.	Policies of £5000.

40	2 2 4	10 11 8	21 3 4	105 16 8

* * This mode of dividing the Surplus or Profits has been adopted by no other Assurance Office in Scotland.

During the last three years alone, *Two Thousand Five Hundred* individuals have joined the Institution—assuring their lives for sums varying from L.50 to L.5000.

The Society have agents in most of the Towns in England and Scotland.

Prospectuses will be sent, post-paid, to any part of the Kingdom; and parties residing in Districts where there are no Agents of the Society, may readily effect Assurances by communicating with the Manager at the Head Office.

THE SCOTTISH PROVIDENT INSTITUTION is the only Office in which the advantages of Mutual Assurance can be obtained at Moderate Premiums. The Assured are at the same time specially exempt from personal liability.

In many Offices, Assurers are offered the choice of a moderate Scale of Premiums, without any claim to share in the Profits, or of a right to participate in these, at an excessive rate of Premium. Assurers with the SCOTTISH PROVIDENT INSTITUTION are the sole recipients of the Profits, and at rates of Premium equally moderate with those of the *Non-Participating Scale* of other Offices.

The principle on which the Profits are divided is at once safe, equitable, and favourable to good lives—the Surplus being reserved for those Members who alone can have made surplus payments; in other words, for those whose Premiums, with accumulated interest, amount to the sums in their Policies.

This principle, while it on the one hand avoids the anomaly of giving additions to those Policies which become claims in their earlier years, secures on the other hand that there is no Member who has not been in a pecuniary sense a gainer by the transaction, who does not receive a share of the Profits.

Annual Premium to Assure £100 at Death.

Age 25	30	35	40	45	50
£1 18 0	£2 1 6	£2 6 10	£2 14 9	£3 5 9	£4 1 7

It will be seen on comparison that the same Premium which, at age 30, for example, is charged in the other Scottish Mutual Offices for Assurance of £1000, will secure, in this Society, a Policy for £1230. And it is to be borne in mind that the higher immediate Assurance in this Office does not involve the sacrifice of the Member's interest in the profits, or any portion of it.

This advantageous comparison holds good to nearly the same extent with the *participating scale* of the Proprietary Companies.

Forms of Proposal, Copies of the Annual Reports, and every information, may be had on application.

AMONG the advantages offered by this Corporation are—

1. The Guarantee of an extensive and highly respectable body of Shareholders.
2. An Equitable Division of the Whole Profits among the Assured in the Participation Scheme.
3. The probability afforded by a successful business of a periodically increasing Bonus. And,
4. Policies Indisputable, except on the ground of fraud.

Thus combining the leading features of a Mutual with the stability of a Proprietary Company.

GALVANISM.

The Greatest Remedy of the Age.

RHEUMATISM, PARALYSIS, ASTHMA, Indigestion, Sciatica, Tic-Douloureux, and various Nervous Disorders, have been permanently cured after all other means had failed, by Mr W. HARTHILL, MEDICAL GALVANIST, 7 Castle Street, Edinburgh.

The mode of treatment is *entirely new*, and agreeable to the patient, as it gives NEITHER SHOCK NOR PAIN. Mr HARTHILL studied his profession in London under Mr Halse, whose celebrated Galvanic Apparatus he uses, and which is totally different from the common small machines, being often successful after they and other remedies had failed.

Invalids are solicited to send for Mr Hart-hill's new List of Cures effected in Edinburgh during the last three years. The unimpeachable testimony of the parties cured establishes the fact of the extraordinary efficacy of this new and painless method of treatment.

Halse's Pamphlet on Galvanism may be had gratis.

ROBERTS' HOME WINES, CONTINENTALLY MADE.

THESE delicious and wholesome Wines are made on the same principle, and, with a few exceptions, from the same material, as Foreign. Roberts' CHAMPAGNE and SPARKLING HOCK are *incomparably* superior to any sold under 60s., and only at rather more than one-third of that price. Roberts' HOCKHEIMER cannot be distinguished from Foreign, and these Wines are now much drunk as such.

W. H. ROBERTS refers Champagne drinkers to Professor Liebig's analysis of *cheap Foreign Champagne*, as well as to a paper by Professor Christison, No. 102 *Medical and Surgical Journal* (both of which may be found in the Fifth Edition of Roberts' *British Wine Maker and Domestic Brewer*), before they are gulled to purchase *cheap Foreign Champagne*.

The character of Roberts' GREEN GINGER, with twenty other kinds of Home-made Wines, now so well and long established, needs no eulogium; and they are now greatly reduced in price.

Orders for one dozen or more sent to the Wine-Works, LAVEROCK BANK, Edinburgh, will receive immediate attention.

COD-LIVER OIL.

CHARLES OWEN respectfully announces to his Friends and the Public that he continues to prepare COD-LIVER OIL on the most improved principle, and that he has entered into arrangements with some of the principal Fishmongers, here and elsewhere, from whom he receives a daily supply of the Cod-liver.

The Oil he offers is nearly tasteless and without smell, so that the most delicate person can take it easily. Its medicinal qualities are well preserved, as the following Testimonials will shew :—

I. From Dr THATCHER.—14 Picardy Place,
Jan. 3, 1850.

I hereby certify that the Cod-Liver Oil prepared by Mr Owen is carefully made from fresh and healthy fish, and may be taken safely and with advantage for the proper diseases where it is recommended.

JOHN THATCHER, M.D.

II. From Dr SIBBALD.—141 Princes Street,
December 12, 1849.

I have great pleasure in testifying that Mr Owen has shewn me some Cod-Liver Oil of his own preparation, which seems, from its purity and preservation of its medicinal qualities, equal to any, and superior to most, of the oil I have seen.

J. R. SIBBALD, M.D.

III. From Professor ALISON.—44 Heriot Row,
January 8, 1850.

I have seen some of Mr Owen's Cod-Liver Oil, which seemed to me of very good quality.

W. P. ALISON, M.D.

IV. From Dr GORDON.—32 Buccleuch Street,
January 8, 1850.

I certify that I have seen the Cod-Liver Oil prepared by Mr Owen, Preston Street, that it appears to me to be of good quality, and less disagreeable to take than what is often obtained from the usual sources.

DAVID GORDON, M.D.

V. From Dr HANDYSIDE.—66 Queen Street,
December 23, 1850.

I have observed very good effects from the use of Mr Owen's Cod-Liver Oil, which is of pure quality and readily taken.
